Don't let your
pocketbook go up in
flames

Controlled burning has a lot of benefits for the soil, but did you know that the burning of ditches and damage to utility markers and lines could cost you hundreds or even thousands?

Burning ditches could result in Wiatel Fiber markers and Fiber pedestals and/or the contents inside being damaged or destroyed. If this happens, the cost to repair the damage would fall on the individual(s) involved in the fires. Please be smart and safe while burning.
