Be A Facebook Winner!

Congratulations to our Facebook contest winners, Bonnie Grigg and Linda Baird. They each won a \$25 Barnes & Noble gift card and some Wiatel goodies.

You can be a winner, too, by liking our Wiatel and Wiatel Solution Center Facebook pages. All you need to do is answer our give-a-way question posted on our page during the month and your name will go into a drawing for great prizes. Tell your friends and family to follow us and they can be winners, too!

5 STEPS FOR SAFE DIGGING

Working on an outdoor project? Always call 8-1-1 first, because you never know what's below. Here are five easy steps for safe digging.

1. NOTIFY
Call 8-1-1 or make a request online two to three days before you start.

or visit iowaonecall.com

2. WAIT
Wait two to three days for a response to your request. Affected utilities will send a locator to mark any underground utility lines.

3. CONFIRM
Confirm that all affected utilities have responded by comparing the markers to the list of utilities the 8-1-1 call center notified.

4. RESPECT
Respect the markers provided by the affected utilities. They are your guide for the duration of your project.

5. DIG CAREFULLY
If you can't avoid digging near the markers (within 18-24 inches on all sides, depending on state laws), consider moving your project.
