It's never been easier to earn **FREE SERVICE** by spreading the love. As a current Wiatel customer, the more people you refer to our services, the more **\$50 bill credits** you will collect. Follow these three easy steps:

Have your friends and family provide their name when they call Wiatel to sign up for internet, cable or telephone services.

After they sign up, you will receive a \$50 credit per service they take on in internet, cable or telephone service you referred.

There is no limit to how many \$50 repeat bill credits you can receive. The more referrals you make, the more money you can earn!

*You will receive your referral credit on your bill after the new referral customer maintains service for 90 days and/or two billing cycles. New referrals must be signed up for internet, cable or telephone services with Wiatel and just one have active service with Wiatel for at least 12 months. Wiatel is not responsible for non-serviceable calls.
