Congratulations to our Annual Meeting social media winner, Coleen Winger! She won a \$100 Target gift card. Coleen has been a Wiatel Member since April 1967!

You can be a winner, too, by liking our Wiatel and Wiatel Solution Center Facebook pages. All you need to do is answer our give-a-way question posted on our page during the month and your name will go into a drawing for great prizes. Tell your friends and family to follow us and they can be winners, too!

Offices Closed

Our offices will be closed Monday, May 25 in observance of Memorial Day. Payments can be left in the drop boxes at either location, paid online at www.wiatel.com, or through our Wiatel eBill app. Our phones are still answered 24/7 at 944-5711.

Internet Packages Are Getting A Boost!

Equal Upload = Equal Download

All our internet speed packages are symmetrical

We have some great news for Wiatel internet customers. All Wiatel internet packages are now symmetrical (or synchronous) at no additional charge! Today's homes don't just stream, they upload, share, game, video call and back up constantly. Our Fiber network is built to handle how today's homes actually use it, with traffic flowing smoothly in both directions. With symmetrical speeds, video calls are smoother, uploads happen faster, and multiple people in your home can work and upload files and games faster than ever. So, why can't other companies do this? Most rely on older networks that can't handle the upload speeds like Fiber networks can. Our network is designed for both uploads and downloads, so you get the speed that keeps up with your life. We have automatically upgraded your package, so there is nothing more that you need to do. We hope you enjoy the boost!
