Charity Grants Awarded

Aureon/Wiatel Charity grants are awarded quarterly to groups and organizations within our service area. To find out more information about the grants, visit the Supporting Our Communities tab at www.wiatel.com.

City of Kingsley:

Wiatel's Randi Weaver presents to Dani Beelner and City of Kingsley. The City will use the grant for windscreens for the pickleball court.

American Legion Wink-Sparks Post 303:
Wiatel's Randi Weaver presents to Mary Lou Guthridge and Randy Peterson. The Legion will use the grant funds to purchase overcoats for the color guard to use at events and funerals.

City of Kingsley Fire and Ambulance:

Randi Weaver presents to Kingsley's Mayor, Keith Bohle. The grant will be used to purchase an AED defibrillator kit for the Kingsley Community Center.

When the weather turns rough, you can count on us to help keep our communities connected. As long as you have power in your home, Wiatel services will continue working. If your power is out, you can keep your services running with your own battery backup, or we offer battery backup options at the Solution Center in Mouville.

We also serve all local cellular towers, helping keep mobile networks connected during severe weather.

Don't forget – TV is always available through our app, WiatelTV, even during power outages. Give us a call, and we can walk you through setting up the app.

Stay safe, stay informed, and stay connected.
